2	Blasts at 7.30 a. m., no school.
2	Blasts at 7.30 p. m., Fire Department meeting.
1	Blast, water to be shut off in thirty minutes.

NOTICE

Brush fire, chimney fire, and all outside fire alarms are to be telephoned to the Alton operator, who will sound the proper alarm, and notify the proper authorities. This will be done by means of a control box now in the central office. State clearly the nature, extent and location of the fire. By complying with the above much time and property may be saved.

INSTRUCTIONS FOR OPERATING A BOX

Opening a box does not sound alarm: Pull down handle. Anyone sounding alarm to remain at box to direct firemen. Second alarm to be sounded by order of the chief engineer only. Test alarm every day at 12.45. Do not sound alarm unless necessary.

RAWLAND DORE, CHAS. T. BEAUDETTE,
WESTON ALDEN, Fire Wards of Alton.

WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Alton, in the County of Belknap, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Alton on Tuesday, the eighth day of March next, at nine o'clock in the forenoon, to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the ensuing year, and to elect a Selectman for three years, one Library Trustee for three years, one Water Commissioner for three years and one Fire Ward for three years.

You are also notified to meet at the said Town Hall at seven-thirty o'clock in the afternoon on the same date to act upon the following subjects:

Article 2. To see what sum of money the Town will vote to raise and appropriate to pay all necessary charges of the Town for the ensuing year.

Article 3. To see what sum of money the Town will vote to raise and appropriate for the repairs of highways and bridges for the ensuing year, in addition to that required by law.

Article 4. To see what sum of money the Town will vote to raise and appropriate for the removal of snow from the highways.

Article 5. To see what sum of money the Town will vote to raise and appropriate to be expended on roads leading to shore property in conjunction with the amounts raised and expended by property owners.

Article 6. To see what sum of money the Town will vote to raise and appropriate for the purchase of Tarvia and application of same.

Article 7. To see if the Town will vote to raise and appropriate the sum of \$1,174.92 provided that the State will contribute the sum of \$7,832.80 for Class V roads so called.

Article 8. To see if the Town will vote to authorize the Selectmen to borrow necessary monies in anticipation of taxes.

Article 9. To see what sum of money the Town will vote to raise and appropriate for the decoration of Soldier's graves.

Article 10. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Public Library in addition to that required by law.

Article 11. To see if the Town will vote to raise and appropriate the sum of \$454.84 to the Lakes Region Association of New Hampshire for the purpose of publicizing and promoting the natural advantages and resources of the Town.

Article 12. To see if the Town will vote to raise and appropriate the sum of \$650.00 for spraying trees along the highways and for the control of "Dutch Elm" disease.

Article 13. To see if the Town will vote to raise and appropriate the sum of \$400.00 to be expended under State supervision for the control of White Pine Blister Rust.

Article 14. To see if the Town will vote to raise and appropriate the sum of \$3,700.00 for band concerts, summer and winter activities.

Article 15. To see if the Town will vote to raise and appropriate the sum of \$400.00 for the support of Huggins Hospital at Wolfeboro, New Hampshire.

Article,16. To see if the Town will vote to raise and appropriate the sum of \$400.00 for the support of Laconia Hospital at Laconia, New Hampshire.

Article 17. To see if the Town will vote to raise and appropriate the sum of \$165.00 for the purpose of publicizing the natural resources of the Town in the "New Hampshire Profiles" magazine.

Article 18. To see if the Town will vote to raise and appropriate the sum of \$1,800.00 for the rebuilding of the "Coffin Brook" bridge in the so called "Gore" section of the Town.

Article 19. To see if the Town will vote to raise and appropriate the sum of \$2,300.00 as a salary for the person on duty as operator of the fire and police phones.

Article 20. To see if the Town will vote to raise and appropriate the sum of \$3,900.00 as a salary for the bookkeeper.

Article 21. To see what action the Town will take on the following petition: "To see if the Town will vote to raise and appropriate a sum of money not to exceed \$2,500.00 to be used for road repairs on the Stockbridge Corner road starting at Route 28 and running easterly to the Alton town line for a distance of approximately one and one-half miles, said repairs to consist of widening the road, placing gravel on the road and building culverts where necessary." (By request)

Article 22. To see what action the Town will take on the following petition: "To see if the town will vote to authorize the Selectmen to sell to Julia B. Peverly a portion of the land owned by the Town, situate on the northerly side of the Cove Road, so called, and lying between said Cove Road as recently relocated and that portion of the original Cove Road, now leading, or used as a driveway to, the said Peverly premises and no longer used by the Town for highway purposes, said Selectmen to have the power and authority to define the limits of the portion of land to be sold, and the price to be paid therefore, having in mind what will be for the best interest of the Town." (By request)

Article 23. To see if the Town will vote to appropriate a sum not to exceed \$5,500.00 to purchase a front end loader and to authorize the Selectmen to take such sum from uncollected taxes.

Article 24. To see if the Town will vote to raise and appropriate the sum of \$650.00 to purchase a "York" rake for use on the highways.

Article 25. To see if the Town will vote to raise and appropriate a sum not to exceed \$70,000.00 for the purpose of rebuilding and surfacing with tarvia the Town gravel roads so called, and to authorize the Selectmen to borrow against the credit of the Town the said amount, on long term notes or bonds.

Article 26. To see if the Town will vote to raise and appropriate a sum not to exceed \$5,000.00 to build a new swimming wharf at the lake and to authorize the Selectmen to borrow the sum voted on long term notes or bonds in the name and on the credit of the Town.

Article 27. To see if the Town will vote to raise and appropriate the sum of \$4,000.00 to resurface School Street from Route No. 11 to Route No. 140 and to authorize the Selectmen to borrow the sum voted on long term notes or bonds in the name and on the credit of the Town.

Article 28. To hear the reports of agents, auditors, committees or officers heretofore chosen and to pass any vote relating thereto.

Article 29. To transact any other business that may legally come before the said meeting.

Given under our hands and seal this twentieth day of
February, 1960.

LEON T. DODGE,

HARRY M. ALLEN,

CHARLES J. BEAUDETTE.

Selectmen of Alton, N. H.

A true copy of Warrant—Attest:

LEON T. DODGE,

HARRY M. ALLEN,

CHARLES J. BEAUDETTE.

Selectmen of Alton, N. H.

FIRE WARDEN'S REPORT

PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note:

58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple:

1. Before burning, secure a permit from your local forest fire warden—the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles—use your ash tray.
5. Don't burn at home—Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires	5
Number of acres burned	1½
Number of permits issued	112

ROBERT W. SMITH,
District Fire Chief

REPORT OF TAX COLLECTOR

To the Selectmen of the Town of Alton:

The following report of the Collector covers the period from April 8, 1959 to December 31, 1959. It is divided into six parts to give a detailed and concise picture of the various accounts, namely:

1. Total Receipts during period from all sources.
2. Balance Sheet for Levy of 1959.
3. Balance Sheet for Levy of 1958.
4. Balance Sheets for Levies prior to 1958.
5. Balance Sheet for State Head Taxes.
6. Summary of Tax Sales Accounts as of December 31, 1959.

PART 1

TOTAL RECEIPTS FROM APRIL 8, 1959 TO

REPORT OF AUDITORS

As your duly elected auditors, we have carefully checked the accounts of the town treasurer, tax collector, precinct treasurer, trustees of trust funds, library trustees, water department and treasurer of the lighting precinct along with the bank statement of the several departments.

According to the best of our knowledge and belief they are properly vouched and correctly cast and are a true account of the business of the town for the year ending December 31, 1959.

MADOLYN LAWRENCE

JUDSON H. DOWNING

Auditors

February 5, 1960

PARKS AND PLAYGROUNDS REPORT 1959

PUBLIC BATH HOUSE: The new Public Bath House was the first major project on which your Parks and Playgrounds committee planned and supervised construction. The complete job was let out for bids and the contract was awarded to Contractor Oliver Barnes of Alton.

PUBLIC BATH HOUSE AND BEACH AREA: The parking area should be enlarged.

WEST ALTON BEACH: Improvements are planned by removing obstructions and cleaning the beach.

LEVY PARK: The fence enclosing the picnic area and picnic tables should be replaced.

PUBLIC BOAT DOCKS: These facilities are in good condition. Minor repairs may be required due to ice damage.

RETAINING WALL AND BOAT LAUNCHING RAMP: The retaining wall was started in '59 and should be completed this year providing low water and weather conditions permit. The boat launching ramp North of Victoria Pier, is complete except for hot top. The committee hopes to prevent "all day parkers."

MARINE BAND STAND: The marine band stand should be painted this year along with minor repairs to the deck and flag pole.

SHORE FRONT: The Committee plans to plant shade trees along the water front, in conjunction with the Chamber of Commerce Improvement Program.

PUBLIC SWIMMING DOCK: This dock has required repairs to the top deck every year and every 5 years completely rebuilt from the cribs up, the Committee has investigated this costly maintenance problem and recommends that the top deck be replaced with a Pre-stressed, reinforced concrete slab. This should practically eliminate the costly repairs.

CUSTODIAN—PARKS AND PLAYGROUNDS: Mr. William Messer was custodian for the year of 1959. He is responsible for the maintenance of all our facilities, parks and playground, greens, and parking areas. The committee commends his excellent work.

RECREATION DIRECTOR REPORT: Your parks and playgrounds committee requests constructive criticisms from the

[illegible]

1. The first part of the paper is devoted to a review of the literature on the topic. It starts with a general introduction to the subject, followed by a detailed discussion of the various methods used in the study. The second part of the paper presents the results of the study, which are then discussed in the context of the existing literature. The final part of the paper concludes with a summary of the findings and some suggestions for future research.

SUPT. BOYNTON'S REPORT

To the School Board and Citizens of the Alton School District:

I respectfully submit my third report as your Superintendent of Schools.

GENERAL

In 1958-1959 approximately 45,000,000 individuals were enrolled in some type of educational institution in the United States. Although education is a function of State Government, the control is left with local communities and elected representatives of such communities. The citizen, by his payment of property taxes, supports a major portion of this vast undertaking.

There is much evidence that there has been increased interest in education in recent years. Much interest springs from the increasing costs of schools and the resulting impact on property tax rates, but this is not the only reason. We as a people have been shaken from our complacency. Russia challenges us in the area of scientific discovery. Other nations are manufacturing products which prove competitive in terms of both quality and price. These nations have developed much industrial "know how" which we thought was our forte.

A high quality of educational opportunity is being provided the youth of Alton. In education, as in every other endeavor, there is room for improvement. School people continue to examine practices, with a view toward correcting such weaknesses as may be found and are continually strengthening the good practices that are in force.

STAFF

I am convinced that the competent teacher is the basic necessity in any educational plan for improved quality of instruction. Five regular classroom teachers left the Alton Faculty as of the close of the 1958-1959 school year. Four of this group of five accepted other positions for reasons of professional advancement and one left to serve as a member of our armed services.

The School Board's adoption of a salary guide and the citizens' appropriation of sufficient funds, made it possible to hire competent teachers as replacements. This relatively large turnover could have been very damaging. I am pleased to report that the new teachers have measured up to every expectation.

BUILDINGS

Many improvements were accomplished during the summer months. Mr. George Stevens resurfaced practically every desk top in the elementary building and completely renovated the upstairs room which had been used for science instruction. Old closets which were greatly in need of repair were restored or removed.

Mr. Carl Morgan, High School Custodian, resurfaced every floor in the high school building, which greatly improved the appearance and the cleanliness of the several classrooms. The old eighth grade classroom is now used as a science room. The science facilities have been so greatly improved that I urge any interested citizen to visit school to see what has been accomplished. Science experimentation tables are very expensive items and we were indeed fortunate in purchasing six used units from the Manchester School District. Also, two demonstration units were purchased, one being placed in the Science Laboratory and the other in the adjacent room which is used as a science lecture room. This science equipment was made like new by attractively refinishing the tops and sides of the several units. Mr. George W. Fairman and Principal Matthew Flaherty generously gave of their time to complete these projects.

MEMORIAL SCHOOL ADDITION

The elementary school addition was not ready for the start of school but all concerned adjusted to the short-term crowded condition. These two new classrooms and the additional teacher stand out as a real step forward. We now have only one grade in each classroom and this has increased our educational effectiveness.

NATIONAL DEFENSE EDUCATION ACT

The National Defense Education Act of 1958 provides Federal funds on a fifty-fifty matching basis for the acquisition of equipment and minor remodelling to strengthen instruction in the area of Mathematics, Science and Modern Foreign Languages. Reference books, demonstration apparatus and other instructional aids may be purchased, which will increase instructional efficiency in these subject matter areas. The matching funds required have budgeted for the Fiscal Year beginning July 1, 1960.

*DR. WHITE'S COMPLETE COURSE IN
HIGH SCHOOL PHYSICS*

Science instruction has been strengthened through the use of 163 films which Pittsfield is sharing with four other high schools; namely, Alton, Brewster Academy, Hampton and Laconia. These films have been developed especially for smaller high schools where adequate demonstration apparatus could not be provided. The subject matter content is up to date and the academic quality is unusually high. Students successfully completing the course will be very well prepared for college courses in Physics.

EDUCATIONAL TELEVISION

It is too early to give a complete appraisal of this new development. Teachers are not being replaced by any stretch of the imagination but well-structured television presentations do supplement the presentations made by the classroom teacher. Television courses in third grade Science, sixth grade Science, fourth grade Conversational French and fourth grade New Hampshire History as well as "Advanced Mathematics" and "Space Age Science" are being viewed with considerable success by Alton students.

I wish to take this opportunity to express my sincere appreciation to the Alton School Board, to all School Personnel and to the Citizens of Alton for their cooperation and support this past year.

Respectfully submitted,

JASON E. BOYNTON
Superintendent of Schools

LUNCH SUPERVISOR'S REPORT

In the Fall of 1959, the Alton School Lunch started serving meals on October 27. Their new room in Memorial School not being quite ready, the sixth grade occupied the dining room until that time. During the year, this area is frequently used for classes, activities and meetings.

During the month of May, 1959, the regular helper was replaced by volunteer mothers from the Parent-Teacher Association, to whom we owe thanks for a fine job. This, and a successful benefit luncheon we gave in June, helped to bolster our budget.

We are fortunate to have had Mrs. Edith L. Flanders for portions of last year and this. She came back to the Program for the first week of Christmas, when she returned to work until retirement (February 1, 1960). We shall miss this energetic and willing worker.

Mrs. Laura G. Miles, the school's French teacher, joined the lunchroom personnel November 9 for the noon hour. This greatly increased our efficiency, especially at serving time.

Contrary to the beliefs of some, the School Lunch Program does not receive all of its food from the Government, but without various surplus commodities, for which we are always grateful, it would be difficult to stay within our means.

We try to encourage the children to eat new foods, but the favorite luncheons include hamburgers, spaghetti and meatballs and pizza pie. The appearance of the latter on the menu really creates enthusiasm.

Each March we observe New Hampshire School Lunch Week, during which week we invite parents and friends to eat a meal with us. We welcome visitors, however, at any time.

Respectfully submitted,

Ann M. PEARSON,
Supervisor, School Lunch
Program

REPORT OF THE HIGH SCHOOL PRINCIPAL

In the last three years, the Alton School—Grades 1 through 12—have undergone thorough re-evaluation and readjustment and at the present time a good, comprehensive testing program is in effect.

Every year odd grades—1, 3, 5, 7, 9, 11—receive California Mental Maturity Tests to diagnose native abilities. Every year grades three through twelve receive achievement tests in basic skills—The Iowa Basic Skills Tests and the Iowa Test of Educational Development. Grades eight through eleven take the U. N. H. Guidance Battery Tests to discover aptitudes and interests for pupils entering high school and post-secondary schools.

College aptitude tests are administered to all high school pupils who elect to take them—The National Educational Development Test and the National Merit Scholarship Test.

Testing serves pupils, teachers and administrators. The pupils are able to see proof of their yearly growth as well as to discover their real interests and aptitudes. Teachers are better able to diagnose the weaknesses of their pupils and adjust their teaching to them. Administrators are able to compare the progress of our pupils to national norms.

Our present testing system has been in effect for three years and the results have been promising. Since 1958 our overall comparison to the national average is as follows:

(Grades 3—8)	1958	1959	1960
Alton Central Schools	56%	54%	59%
National Average	50%	50%	50%

Our school, in comparison to a national average, is 9% higher as to acquiring basic skills than the average school. Furthermore, our attempts to raise our basic skills are proving more effective.

Respectfully submitted,

MATTHEW J. FLAHERTY,
Principal

WARRANT

for SCHOOL DISTRICT MEETING

To the inhabitants of the School District in the town of Alton, New Hampshire, qualified to vote in district affairs:

You are hereby notified to meet at the Memorial School Auditorium in said district on the 12th day of March 1959 at two o'clock in the afternoon to act upon the following subjects:

1. To choose a moderator for the coming year.
2. To choose a clerk for the ensuing year.
3. To choose a member of the school board for the ensuing three years.
4. To choose a treasurer for the ensuing year.
5. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.
7. To choose agents, auditors and committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for

the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriations, which balance is to be raised by taxes by the town.

9. To transact any other business which may legally come before said meeting.

Given under our hands and seal this 10th day of
February, 1960.

GLADYS E. HOWE,
JUDSON DOWNING,
HERBERT CARD,

School Board

citizens of Alton and summer residents. Your recommendations will be carefully considered.

Alton's most valuable asset is her Natural Playground, we all should help preserve and improve it, so that future generations will continue to enjoy the beauty that surrounds us today.

Committee: HAROLD PRIME, Chairman
RICHARD S. DOWNING ROBERT E. JONES
FRANCIS J. McGRATH STANLEY SANBORN

COMMUNITY CENTER REPORT

The year 1959 saw considerable increase in activity. Various organizations totalled 67 meetings, and 20 private affairs were held at the Center.

The Chamber of Commerce conducted its information booth here.

Paintings and repairs were completed, and the Community Club raised \$1,200 for improvements. In all, \$3,200 has been donated.

House rules remain the same.

R. Jardine, D. Davenport, J. Mutzbauer, Building Committee

WAR MEMORIAL REPORT—1959

U. S. Senator Styles Bridges was the speaker for the dedication of the World War II and Korean Conflict Memorial on Memorial Day. Gold Star veterans from Alton are John Cuss, Rufus R. Drew, Frank Gilman, Conrad T. M. Goertz, Chester P. Hanson, Marshall Rollins, Richard Scott, Irving Snow, Harold Clafln.

The committee thanks all who helped.

Richard S. Downing, Alfred L. Fosie, Kenneth C. Gilbert
Charles J. Beaudette, Harry E. Jones, Committee

SUMMER RECREATION REPORT

Matthew J. Flaherty was director for the second year of the town playground program. Assistants were Luanne Flaherty, Caroline Pringle and Marilyn Varney. The 6-week program included Red Cross swimming and school classes taught by Mrs. Allan Ferry. There were several outings. Total attendance: swimming 630, school 540, recreation 870, total 2,040.
